

COMPANY PROFILE

Shen Chi – Feng Shui consultancy was founded by Master Janene Laird in response to her growing appreciation of the role which traditional Feng Shui plays in the planning and development of businesses, commercial enterprises and residential dwellings.

Master Janene began her formal studies in Feng Shui and Chinese Astrology in 2003 with the Australian College of Environmental Studies (ACES) and completed a Practitioner Diploma in these fields of Chinese Metaphysics. In the ensuing years she continued to travel to Asia to study with Grand Master Raymond Lo of Hong Kong, broadening her knowledge of traditional Feng Shui, Chinese Astrology and the I-Ching. She completed her Advanced Practitioner training in 2009 with GM Raymond Lo and the School of Feng Shui & Destiny.

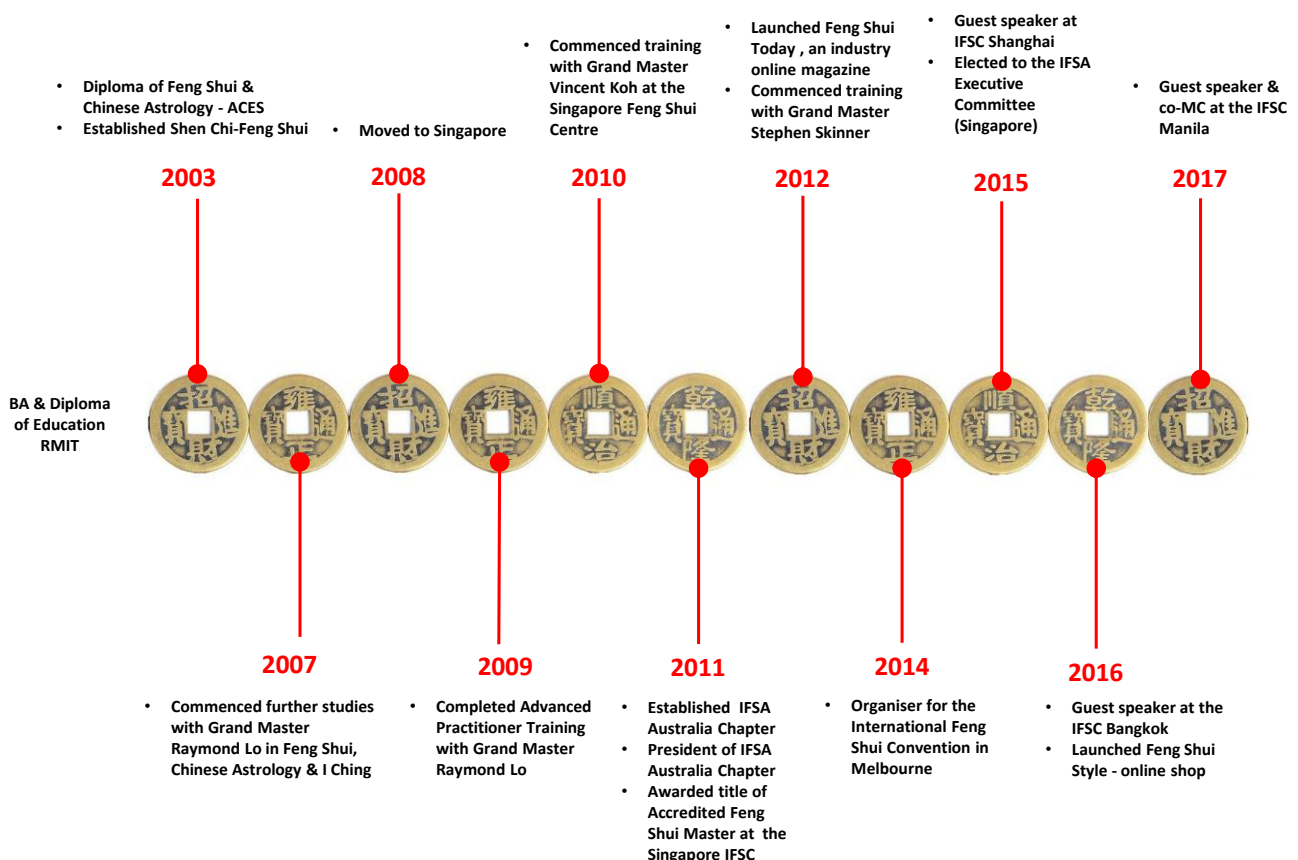

After moving to Singapore with her family in 2008, Master Janene commenced further studies with Grand Master Vincent Koh at the Singapore Feng Shui Centre and completed Certificates of Practice in Feng Shui, IV Pillars of Destiny and Zi Wei Dou Shu in 2010 and 2011.

In November 2011 she was conferred the title of Accredited Feng Shui Master (AFSM) by the International Feng Shui Association (IFSA) and was officially awarded this honor by the Grand Masters of the IFSA Executive Committee at the International Feng Shui Convention (IFSC) in Singapore. Also in 2011 she founded the IFSA Australia Chapter (of which she is President) and later in 2012 launched the online industry magazine - Feng Shui Today.

In 2014 Master Janene was the official organizer of the IFSC in Melbourne, with over 250 international and national delegates in attendance. In 2015 she was elected to the Executive Committee of the IFSA (Singapore) and also launched Feng Shui Style, an online shop providing traditional Feng Shui products.

Most recently Master Janene was a guest speaker at the 2015 Shanghai IFSC and the 2016 Bangkok IFSC. In 2017 she performed dual roles as co-MC and guest speaker at the Manila IFSC and assumed the position of Honorary Secretary of the IFSA Executive Committee. In December 2018 she will once again be a guest speaker at the IFSC to be held in Okayama, Japan.
